

Background Information**Dr. Michael Fraas**
Vice President for Administration

„Precisely because in my former municipal role I was able to accompany the founding and development of UTN from the very beginning, it is all the more appealing to now serve here as Vice President for Administration. My responsibilities include, among other things, overseeing staff growth, construction projects, as well as the establishment and further development of structures. I look forward to working on these tasks together with UTN's strong team!“

Dr. Michael Fraas has been Vice President for Administration of UTN since September 1, 2025. Since 2023, he has held the professorship for Business Law and Transfer at Technische Hochschule Nürnberg Georg Simon Ohm.
